Tennis

We would like to wish the best of luck to our 18 and Over USTA teams as they compete in Playoffs on July 8th -10th at Lakewood Racquet Club. Also wishing luck to our 18 and Over Mixed doubles teams who will be competing in Sectionals on July 22nd -24th in Sun River, Oregon. Congrats teams and good luck!

On July 22nd -24th , we are holding our Kitsap Summer Advance tournament. Many junior players around the Pacific Northwest will be competing against each other at our center. We are looking for help running this tournament. We need some volunteers to run the tournament desk and be around to be line officials. If you would like to run the tournament desk or be a line official, please contact Will Herbert at the center for a little training on officiating and the online Tournament Data Manager (TDM) used by the USTA.

Lightening Policy

Due to unpredictable weather here in Kitsap County, we would like to remind our swimmers of our Lightning Policy. The pool will close immediately when lightning is sighted or thunder is heard. All swimmers will be asked to leave the pool deck. The pool will reopen 30 minutes after the last sighting of lightning or last clap of thunder is heard. It is further recommended that members forego showers and the use of land line telephones. Thank you for your patience!

Below are a few of our most commonly asked questions followed by answers. Let us know if you have other concerns!

Q: How do I log on to the member portal?

*A: To access the member portal for the first time go to our website www.kitsaptennis.com to find the link to the member portal. Once you are on the member portal, locate the "Access My Account" to create your account for the first time. In the "Register Now" window, enter your first name, last name, and email address then select "Search" in the bottom right corner. Once your account has been identified, you will receive a "We found your account" prompt. A verification email will be sent to your email address with the final login instructions. Please open your email to access these instructions. **If we do not have your email on file, then your account will not be found. If this happens, please give your email to the Front Desk at KTAC.***

Q: Why am I not seeing court time availability?

*A: There are a few reasons why you might not see court time availability. One reason would be did you select singles or doubles? Another might be not **all of the names** are on the reservation for your selected play (Singles or Doubles). Are you making the reservation during the designated reservation times?*

Enhancement Hours

Looking to get started on your work enhancement hours? We have a number of areas around the Center that could use some help. There are closets that need cleaning, the kitchen needs organizing and an inventory taken, touch-up painting in the fitness center, hallway and locker rooms. One more outdoor court to be cleaned and the weeds have made a tremendous comeback! If you have an hour or two please give us a hand and pick an area around the parking lot or outdoor courts.
