## Racquetball

### Columbus Day

Racquetball Tournament will be running October 10th-12th.

### The Kitsap Splat

Tournament is also coming up November 17th-20th. Registration forms are now available.

### New Tennis Pro William Herbert

We would like to congratulate Will Herbert for accepting the Tennis Professional position! Will has a long history at KTAC. He is a byproduct of our junior program under Assistant Tennis Professional Nelly Fagan before moving on under Head Pro Erik Jacobsen. He played tennis for Grand Canyon University, helping them reach their highest rank of 8th in the Nation for Division 2. While attending Grand Canyon, he got his Bachelor's Degree in Exercise Science. After college he tried his luck playing Futures before getting injured and coming back to KTAC as our Tennis Director. Will has many years of teaching experience from working at our tennis camps, working at tennis academies in Arizona, and filling in for Erik and Arnel. He will be a great asset to our tennis programs.

### Membership Changes

KTAC will now be simplifying our membership categories to three memberships: Full, Associate, and Racquetball Only. This change will merge the Associate and Swim & Fitness Center memberships into one combined membership. This simplification is very beneficial to the Center and offers us an opportunity to promote our memberships clearly and to help reduce confusion, further changes, and provide accounting clarity. Effective October 1st, the new Associate rates will change to Family: \$106, Couple: \$87, Single: \$60. Enhancement hours for Associate Membership will also have a change upcoming in January 2017. Family: 10 hours, Couple: 8 hours and Single: 4 hours. The new Associate Membership will include use of all exercise equipment, pool, racquetball, and the option to attend land and water fitness classes. We hope you enjoy expanding the experiences you have at the Center and look for opportunities to try something new!
