Tennis

Congratulations to Taylor Andersen for winning the Girl's 16s division and Tye Loan for taking 2nd in the Boy's 18s division. Good job to all of our juniors who participated! Way to work hard and play hard at your home tournament!

We would like to thank everyone who helped with the Kitsap County Fall Junior Advance Tournament

On Sept 16th-18th, we had many top players from around the Pacific Northwest play. It was a very successful event!

On Sept 30th, we hosted this years Kitsap Cup against Bainbridge Athletic Center. It was a tough, close battle against our fun-rivalled tennis center. With 8 matches being played, both centers tied with 4 wins a piece. It came down to total sets won and Bainbridge came up with the win with 10 sets won to our 9 sets won. Congratulations Bainbridge Athletic Center on the win. Until next time, we plan on bringing the trophy back home to where it belongs!

Special thank you to Chizu Salisbury for being the Kitsap Cup Coordinator and special thank

Saturday, October 29th from 10:00 am to 1:00 pm.

Everyone is welcome!

Enjoy a costume contest, games, candy, swimming, pumpkin hunt in the pool and tennis!

We could use a few

more volunteers and we would love candy donations and healthy snacks for the day of the event. Donations of (Costco sized) bags of candy, prizes, or volunteering during the event will be welcomed for enhancement hours. If you are able to help, please contact our Membership Director, Katrina Fulkerson at membership@kitsaptennis.com.

Aquatics

Lap Around the World...

Are you goal driven? Do you like swimming?

Join us for Lap

Around the World, a collective swim goal. Record your mileage and help us swim around the world, starting with our first leg, from Bremerton to Hawaii. This swim is 2,652 miles. As we swim this together and watch our mileage grow, we will celebrate along the way. Help us collectively swim for the Islands! Let's head towards the sunny Hawaiian Islands as we move into the colder weather here at home.

Thank You!

We just finished a successful summer session with lessons and public swim times. We were able to generate a profit for the Center and to introduce new people to our wonderful facilities. This was accomplished by you, our members! Thank you for all of your support as we continue to grow our Aquatic Programs!

Operation Christmas Child

Join us in reaching out to the World! We are collecting both cash and item donations for Operation Christmas Child. Help us pack shoe boxes (this November) to send to children in various war torn countries around the world. Items can be dropped at the Center to be used at the "Packing Party" or you can pack your own shoe box and drop it at the Center. For more information you can check with the front desk or email swim@kitsaptennis.com.

Pumpkin Hunt In The Pool!

Inaugural event going on during the Halloween Party. We will have an in-water pumpkin hunt and with a \$1 donation your child may pick out a pumpkin from the pool. Donation money will go to feeding less fortunate community members for Thanksgiving. Other games and activities on the pool deck as well, such as a "water friendly"

staff. Please welcome her as she works to provide our current members and guests with support along with reaching out to our community.

Racquetball

2016 Columbus Day Tournament will be held at KTAC

October 10th-12th. Be on the look out for registration

sheets for our next tournament, **The Kitsap Splat!** Tournament will be held November 17th-20th, 2016.
