Supporting KTAC Youth Programs

KTAC has been in the process of raising money and awareness for the Scouting Merit Badge and Teach 3rd

Graders To Swim Program.

Pictured above is the badge design created by the Centers Marketing Support, Sharon Haydock. These badges will be awarded to Scouts who become water safety certified here at the Center. Thank you for helping us raise money to get programs like these started.

Inclement Weather Policy

Due to the cold and snowy weather we have been experiencing, we would like

to remind everyone of our inclement weather policy. If the CK school district cancels school, then we will most likely be opening late. If school is delayed, the Center will most likely have normal business hours. In any case, our Manager Cathy Hunt will send an email to members and staff regarding closure, power outage, delays or business hour changes.

Winter Ball & Silent Auction

We had a wonderful turnout at the Winter Ball & Silent Auction and would like to thank everyone for coming and supporting the Center.

We raised over

\$3,000 to help support our Scouting Merit Badge, Teaching 3rd Graders to Swim programs and Tennis Scholarships.
