Aquatics

Our 1st grade swim community outreach program has been a great success! We even have dates set to run the program next year too!

We had 48 students bused in, hop in the pool for swim lessons and back on the bus all in just an hour.

This has been made possible by the tremendous support of staff members **Katrina Fulkerson** and **Michelle Ross** and by many volunteers. Some of the volunteers offered to come over from the YMCA to assist when they heard about the program such as **Gaylord and Carol Jackson** and **Krissy McCarron**. Two of our outside volunteers participated because they felt it is a great program and they value swimming as a lifelong skill with great importance, **Jeff Kirk & Cecilia Adrian**. Both of these phenomenal volunteers have Olympic medalist

children.

Finally, thank you to the members that volunteered such as, **Celeste Fox, Catherine Adams, Robin Muir, Daniel Brotsky & Julie McMillan and Krista Gomes**. This has been a great opportunity and community outreach!

Fitness

We would like to extend a huge thank you to **Stan Kula** for his generous donation of Cheryl's rowing machine. It is an excellent addition to our fitness center and a sweet reminder of a wonderful, special lady.

Farewell and thank you to yoga instructor, Janie Melo! Janie is moving out of our area soon and off to other adventures with her family. We will miss her and wish her the very best! **The good news is that Sarah Hamilton will be rejoining us. Welcome back, Sarah!**
