Fitness Equipment Cleaning Policy

We would like to remind all of our members and guests to be sure they are following the fitness protocol when it comes to wiping down equipment after each use. We have sanitation wipe stations near each machine and we ask that you make sure to wipe down the machines, handles, benches, mats, weights, etc. after each use. There are signs posted with this rule and you can also refer to page 9 in the member handbook or read the rules now by clicking the following link

Family Holiday Board
There will be a special display on the bulletin board near the tennis court entrance and we would love to have you, our members, share your Holiday photos and cards. We look forward to seeing the board fill up soon.

Winter Ball & Silent Auction

We are calling all members to help us get ready for the 2nd Annual Winter Ball in January!

We are in need of assistance with planning and donations as we raise money for our community outreach programs including our 1st grade learn to swim program. Did you know we have 3 schools participating next year? That is approximately 150 children that will have a better understanding of water safety and basic swim skills, thanks to your support with this event.

This year we raised over \$3500 for our programs! Let's see if we can blow that number out of the water (no pun intended) next year. Please contact Katrina Fulkerson if you would like to help or donate.

Amazon Smile

Did you know you can support KTAC while shopping on Amazon? With the Amazon Smile program, you can! Amazon Smile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com.

When you shop at smile.amazon.com, the Amazon Smile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by you, the customer. The following link will send you directly to Amazon Smile, where KTAC can then be chosen as the charity you wish to support, so be sure to use the link below and bookmark the link for later use. Let us know if you have any

End Of Year Donations

As we reach the end of 2017, please think of KTAC for your end of year donations. Your tax deductible donation would help cover current capital improvements and future projects.

From The General Manager

Annual Dues Prepayment

It is that time again to start thinking about membership dues for next year. Some of you like to prepay in advance to take advantage of the **5% discount** off annual dues. Payments for annual dues can only be made by check.

To take advantage of paying at the 2017 price rate, the deadline is December 31st.

Please click the link below to review the 2018 prepayment chart (at the 2017 rates).

[2018 Prepayment Chart](#)

These charts are also available at the Front Desk.

2018 Dues Increase

As we move forward into the year 2018, the Center has to take on some additional costs such as Gas and Electric rates increasing, minimum wage going up again, and the new mandatory sick leave law, just to name a few.

With that in mind KTAC is doing an across the board increase in dues. It is only going up **\$2 a month** per membership. This amounts to \$24 a year for all membership types.

This will make enough of a difference to help with the rising costs but only make a very small impact on you. The joining fees and enhancement hours are staying the same.

We appreciate each and every one of you and hope you will help us grow to our full potential as a non-profit corporation. If you wish to pay annually for 2018 **before the 31st of December** you will still get the **2017 rates**, shown in the same link as listed previously.

If you pay from January 1st to the 25th you will still get a 5% discount but with the new rates.

We will have the new link ready to go for Annual dues and will send out that link around mid December. Click here to view the new 2018 rates [2018 Dues and Fees](#)
