Upcoming Pool Closure: We have an issue in the pool that will require it to be closed for a few days this month. There is a broken step in the deep end that needs to be repaired. We

are looking at the weekend of the 19th to do the repairs. We need to drain the pool just below the step so we can do the work.

Winter Ball Donations & Volunteers

Calling all members! We are preparing for our 2nd Annual Winter Ball & Silent Auction **Saturday, January 27th 6:00-9:00 pm** and we need your help with planning and donations! We are raising money for our community outreach programs including the 1st grade learn to swim program.

Did you know we have 3 schools participating this year? That is approximately 150 children that will have a better understanding of water safety and basic swim skills thanks to your support with this event.

Last year we were able to raise over \$3,500 for our programs. Let's see if we can blow that number out of the water (no pun intended) this year.

Please contact Katrina Fulkerson if you would like to help or donate. Be sure to join us and enjoy a delicious dinner, an exciting auction, and a night filled with dancing and fun. Tickets will go on sale soon!

A Message From The Manager

Happy New year to all! We appreciate each and every one of you and the value you bring

to KTAC. I would like to give you some information on how the Center is doing and how we finished out 2017.

Some of you may have noticed quite a few new faces in all different areas of the building.

We topped out in November with 424 memberships and ended in December with 420. These are some of the highest numbers we have had in a long time.

This month we are doing our no joining fee special and we already had some takers. My goal is to maintain a level of 400 or more memberships for the year.

KTAC is doing well and I am continuing to insure that your experience here is top notch. Please feel free to stop by and see me anytime.

Thank you,

Katrina Fulkerson
