A Message from the Manager

Dear Valued Members,

I wanted to share our membership metrics chart with you. Membership has held steady at 462 memberships for April and May. We are moving into the summer months and things usually slow down with the nice weather. With that said we are offering Summer Memberships that started on June 1st. These memberships are 3 months in duration. The deadline to sign up for summer memberships is July 31st.

We have completed the 1st grade swim program for this school year with 2 schools participating. Thank you for your patience during this program. We know the thundering herd caught your attention! The kids loved coming here and we had a fantastic group of Volunteers that helped. There is nothing like a hundred kids singing the Hokey Pokey to fill your heart with joy! We are always looking for more Volunteers as we grow this program. Next school year we hope to reach out to more schools in the Central Kitsap District.

Sincerely,
Katrina Fulkerson
General Manager
