

UTR at KTAC

Create your account today!

We are excited to announce that Kitsap Tennis & Athletic Center (KTAC) is officially now a Universal Tennis verified provider! What does that mean for the club? It means KTAC can host unlimited UTR events, get more players rated, increase participation, and ultimately fill our courts with more level-based play!

What is the Universal Tennis Rating (UTR)?
The UTR Rating is a global rating system that promotes fair and competitive play across the tennis world. All players, regardless of age, gender, geography, or skill level, are rated on the same scale between 1.00 and 16.50 based on actual match results.

A UTR is a rating that provides all players regardless of skill level, a real time view of a player's true skill level. Having a UTR allows players to track their progress, find level-based play, and expand their tennis network to play with people across age, gender, and location.
