Doubles Strategy & Point Play Clinic

Members: $30 + tax | Non-Members: $35 + tax

Improve your doubles game with smarter strategy, better teamwork, and more confident point play!

This clinic combines practical doubles strategies with coached, game-like situations to help you become a more effective doubles partner. Players will focus on court positioning, communication, movement, and coverage while learning when to poach, switch, defend, and attack at the net.

Through targeted drills, live-ball exercises, and structured doubles points, you'll develop stronger serve-and-return patterns, improve your tactical decision-making, and learn how to create and finish points with confidence.

Whether you're building your doubles skills or sharpening your competitive game, this clinic will help you play smarter, communicate better, and succeed together on the court!

Doubles Drop-In

Members: $10/Night + tax | Non-Members: $17/Night + tax

Enjoy competitive doubles play, meet new players, and have fun on the court!

KTAC is excited to introduce Doubles Drop-In Match Play! This program offers players the opportunity to enjoy doubles matches with others of similar skill levels—no court reservation or prearranged group required.

The format will vary based on attendance and will generally follow Challenge Knight rules and customs to ensure a fun, fair, and engaging experience for everyone.

****Pre-registration is required. A minimum of four participants must be registered at least 24 hours before the clinic. If the four-participant minimum is not met, the clinic will be canceled.****
