JUNIOR TENNIS

KITSAP TENNIS & ATHLETIC CENTER

Junior Tennis Levels

Players progress from slower balls and smaller courts to traditional tennis as their skills develop.

Red Ball Ages 5 to 8

Low-bouncing foam or felt balls give beginners more time to prepare and swing. Played on a 36 × 18-foot court with a 2-foot-9-inch net.

Orange Ball Ages 7 to 10

A step up from Red Ball, with faster, higher-bouncing balls that remain manageable for developing players. Courts measure 60 × 21 feet for singles and 60 × 27 feet for doubles.

Green Ball 9 to 12

Lower-compression balls bounce slightly lower than traditional yellow balls, helping players transition to full-court tennis. Courts measure 78 × 27 feet for singles and 78 × 36 feet for doubles.

Yellow Ball Ages 11 and Older

Traditional tennis balls and full-size courts prepare players for junior tournaments, high school varsity competition, and beyond. Court dimensions are the same as Green Ball.
